Sir,

I have the honor to request instructions whether the Orders contained in Government Proceedings No: 206-70 dated 4th August 1894 directing that no unoccupied Government land within half a mile of the boundary of any Railway Station shall be given for private occupation of any kind without the previous sanction of Government are applicable to the agricultural lands acquired by the Municipalities with the sanction of Government conveyed in their Proceedings as per margin for the proposed extension of Bowringpet and Chickballapur.

2 These lands which are adjacent to the within the prohibited area have been sold and granted pending sales some of which have been sold by public auction and others upon application by the purchasers which but others primarily would be required for at present will be disposed of shortly.

3. If the Orders under reference were applied to the lands in question the proposed K Channa. Govt

Proceedings of the Government of Mysore, Revenue, dated 6th April 1895.

READ:-

Letter No. 1871—292, dated 3rd October 1894, from the Deputy Commissioner of the Kolar District, requesting instructions as to whether the orders contained in Government Proceedings No. 2061-70—R. 244, dated 4th August 1894, prohibiting the grant of unoccupied land within half a mile of the boundary of any Railway Station, are applicable to the agricultural lands acquired by the Municipalities for the extension of the Bowringpet and Goribidnur Towns.

No. 16819-26—R. F. 215-92, DATED, BANGALORE, 6TH APRIL 1895.

ORDER THEREON.—The proceedings referred to and the prohibition thereby conveyed apply to all classes of lands which are not already within the occupancy of private individuals. The Taluk Municipalities not being corporate bodies, the building sites attached to such Municipal Towns and Villages are the property of Government. The Deputy Commissioner should therefore submit a list of the sites referred to by him, noting down their size, value, position in the Village and the distance from the Railway Station. He should also state whether within the next two or three years there is any probability of a requisition being made by the Railway Department for any of them and solicit sanction for the exemption of such specified sites as may not be required by the Railway Department, from the operation of the prohibitory rule.

(14) 2. As the statements submitted in compliance with Government Proceedings No. 4627-35—115, dated 24th November 1887, do not contain particulars with reference to the recent Railway extensions and the opening of new stations, the Deputy Commissioners are requested to submit for record in this office, fresh statements showing the particulars of unoccupied Government land situated within half a mile of the boundary of each Railway Station.

L. ANANTASAMI RAO,
Offg. Chief Secretary.

lee within the half mile radius, it has been colored and the number entered in red ink in the statement.

Similarly where certain numbers were found to be isolated from the 1/2 mile block they have been omitted, and a remark made in the statement.

2. In respect to Devantiundi station in Koshiste Taluk, the lands after being colored on the village Maps were found to be far beyond the prescribed radius and the lands

lands of Inidalur and Sadavatti which are shown in the Statement are fully 2½ to 3 miles from the Station. This portion of the Statement requires revision and will be done, the village Maps of Dharwar, Devadapur, and Doddasarkalli are forwarded in the Set of Maps for the Deputy Commissioner, but not in the Sets for the Chief Engineer and Secretary to Government. After the Statement has been revised

as

as regards Devanhandi Station, the Maps can then be colored and furnished to the above mentioned Officers. Many village Maps have not been included in the Sets of Maps, as they have not been printed.
